

# Do you use a prosthetic leg?

We are looking for volunteers in the Seattle area to participate in a two-part research study. Participation involves completing a survey and performing a series of physical activities (for example, transferring between chairs, walking back and forth between cones, and stepping over small obstacles).

1st session: 90 minutes (30 min. survey, 60 min. activities)

2nd session: 30 minutes (activities only)

## You can receive up to \$250

(\$100 for the 1st session + \$150 for the 2nd session)

If the list below describes you, then this study may be a good fit:

- ✓ You are 18 years of age or older
- ✓ You are able to read, write, and understand English
- ✓ You have an amputation in one of your legs
- ✓ You use a prosthesis to transfer or walk
