Responsibility in AI Systems & Experiences (RAISE) at the University of Washington presents:

RAISE Faculty Highlights

Friday February 18, 2022, 9-10am PT
Join: **https://washington.zoom.us/j/94636255672**

Please join RAISE for our first Faculty Highlights event. We will hear from the following RAISE faculty as they discuss their work and research projects. This is a great opportunity for students who are interested in getting involved with RAISE to learn more about the variety of work that our group engages in. All are welcome. You can read about our speakers here: https://www.raise.uw.edu/people/

Emily M. Bender
Professor, Department of Linguistics, University of Washington

Afra Mashhadi
Assistant Professor, Computing and Software Systems, University of Washington

Yulia Tsvetkov
Assistant Professor, Paul G. Allen School for Computer Science & Engineering, University of Washington

Leilani Battle
Assistant Professor, Paul G. Allen School for Computer Science & Engineering, University of Washington

Dingwen Tao
Assistant Professor, School of Electrical Engineering and Computer Science, Washington State University

RAISE is a UW-wide group of students and faculty interested in the broad space of responsibility in AI, trustworthy machine learning, human-centered computing and data science. As part of this group, our mission is to engage in scholarly, educational, and outreach activities that lead to foundational research in these areas. https://www.raise.uw.edu.
