

Responsible AI Systems & Experiences (RAISE) at the University of Washington presents:

Microsoft Research

Group discussion on responsible AI

Friday Nov 5, 2021, 9-10am PST

Zoom link: <https://washington.zoom.us/j/94636255672>

Join us to hear about responsible AI projects at Microsoft Research and the folks who run them. This discussion will include a Q&A that will be open to participants.

For more information on responsible AI at Microsoft, visit:
<https://www.microsoft.com/en-us/ai/responsible-ai-resources>

RAISE is a UW-wide group of students and faculty interested in the broad space of responsible AI, trustworthy machine learning, human-centered computing and data science. As part of this group, our mission is to engage in scholarly, educational, and outreach activities that lead to foundational research in these areas.

RAISE fall 2021 events also include:

11/12: [Mona Diab](#), Research Scientist, Facebook AI.

11/19: [Yunhe Feng](#), Postdoctoral Scholar, UW Information School.

12/3: [Kush R. Varshney](#), Distinguished Research Staff Member and Manager, IBM Research, and a member of the [AI Fairness 360](#) research team.
